In-Stock Finishes

For increased smoothness and durability, our Bronze Anodized and Satin Anodized aluminum finishes come standard with a Class 1 coating thickness.

Designer Finishes

Designer finishes are based on popular paint choices in the homebuilding industry and conform to a minimum rating of AAMA-2605, currently the highest rating for organic finishes.

Custom Finishes

Looking for a specific color? We can match virtually any finish.

Split Finishes

For even more design options, the Series 7650 is available in split finishes, where different finishes are used on opposite sides of the door.

* Available as a split finish
